Time has stood still
since you walked out on me
Time has stood still
since you walked out on me
Time has stood still

(instrumental)

Time has stood still
since you walked out on me

(instrumental)

Time has stood still
since you walked out on me
Time has stood still
.....
since you walked out on me
.....
Time has stood still
.....
since you walked out on me
.....Time has stood still

(instrumental)
