You know I'm down for you  
Down for you(x3)

Shawty you know I'm down for you  
I promise I keep it true  
You say that your digging me  
Well baby girl I'm digging you  
I done witnessed so much wrong  
Cause I'm alive, over you  
Baby I feel like I did something right  
(Guess why)

Baby you know I'm down for you  
Down for you (x5)

Down for you(x3)

Shawty I'm down for you like fo flex  
What's you know about that  
She say that she diggin me  
Well I say that I digg her back  
Well baby girl she got it all  
The type that make you drop your jaw  
And if I got a problem  
She right there to catch me when I fall  
And after that I push it off  
Everytime she wit me I don't ever feel like I'm lost  
Yes she got my mind right  
Why you think my grind tight?  
These other broads just aint the same  
Only for you, I will fight  
Thru the rain and the thunda  
I will always be here girl no need to wonder  
You the one I want sittin next to me in my humba  
Ridin shot gun with your man when he stunna

Shawty you know I'm down for you  
I promise I keep it true  
You say that your digging me  
Well baby girl I'm digging you  
I done witnessed so much wrong  
Cause I'm alive, over you

Baby I feel like I did something right  
(Guess why)

Baby I'm down for you  
Down for you (x5)

Down for you(x3)

Like red or blue baby we keep it true  
She got me barkin like a dog  
But I'm not that rude  
I may b grove like if your boy was locin  
For some reason I just can't stop sippin that love potion  
It's so cold, it's like THC inside my system  
But I can't get her out cause if I do then ima miss her  
I want her in my life forever and ever  
Keep her lyin by me cause she makin me betta  
And I don't know anything else better  
Besides chill wit cha  
Can't make me love, I'm clever  
So I don't say ima leave  
Cause I got em both  
Forgive frontin what I understand  
If you don't  
(Because)

Shawty you know I'm down for you  
I promise I keep it true  
You say that your digging me  
Well baby girl I'm digging you  
I done witnessed so much wrong  
Cause I'm alive, over you  
Baby I feel like I did something right  
(Guess why)

Baby I'm down for you  
Down for you (x5)

Down for you(x3)
