It's so lovely when it's sunny

(Choir)

Let the sunshine, let the sunshine in
The sunshine in, the sunshine in

I've been waiting for a sunny day
A time when I can mix some hay
The day is good I see the weather's fine
The grass is high and the sun must shine
Weather to get together
I don't know whether
I should feel your touch
Weather to get together
I don't know whether
The grass is high enough
Uh!

(Choir)

Let the sunshine, let the sunshine in (you gotta let)
Let the sunshine, let the sunshine in
The sunshine in, the sunshine in

You're so lovely on a sunny day
Look outside to an infant play
The grass is greener over the fence
There is nothing like experience
Weather to get together
I don't know whether
I should move so fast
Weather to get together
I don't know whether
You're a snake in the grass
Uh!

(Choir)

Let the sunshine, let the sunshine in (you gotta let)
Let the sunshine, let the sunshine in
The sunshine in, the sunshine in
You gotta let!
