Elevate!
Deliverance comes
Once i refuse to run
Leather saint -- perennial bore
Leader of no one's war
Oh my god! jesus, don't fail!
Bets high you'll kiss and tell
Oh my god! jesus, don't fail!
So sad i missed you
Ego safe
But will you lock doors?
Untie, the noose is warm
Featherweight -- unfettered unfurled
One side refused to yield
Oh my god! jesus, don't fail!
I kindly wish you well
Oh my god! jesus, don't fail!
So glad i kissed you
Either way
Agression wants war
Must i abuse you more?
Featherweight
The winner once more
Won't ride the victory tour
Oh my god! jesus, don't fail!
Bets high you'll kiss and tell
Oh my god! jesus, don't fail!
So sad i missed you...
