all around that's me, many troubles
I need you now to be close to me
there's a world round and round, round a circle
I don't know how it wouldn't be

ooo, I'm starving
without your loving
with your kisses you could fill me now
ooo, come closer
don't wait a minute, you are the outcome
c'mon and be my world

na na na, na na na na na na
na na na, na na na
na na na na na na

and I love to watch you when you're walking along
but there's nothing I can say to make you feel the
same way
all I see is your face in the mirror
fall into an ocean for me, on and dive

na na na, na na na na na na
na na na, na na na
na na na na na na

na na na, na na na na na na
na na na, na na na
na na na na na na

ooo, I'm sorry
without your loving
ooo, come closer
don't wait a minute, you are the outcome
c'mon and be my world

na na na, na na na na na na
na na na, na na na
na na na na na na
