Tu tu tu tu tu tu tu,
Tu tu tu tu tu tu tu, ah ah...(x2)
Last night when we were talking alone
It came out this what your kisses feel like
Today I'm making a wish
I don't want you to say goodbye
So kiss me now
kiss me now again
I got you in my mind
and I need you right here
So get here now
get here if you can
I got you in my life
and i need you right here
I, I, I, I, I, I, I, I, I, ah ah
I, I, I, I, got you in my mind
that's right.....(x2)
Tu tu tu tu tu tu tu,
Tu tu tu tu tu tu tu, ah ah...(x2)
Ah ah, that's right
Ah ah....
Am I living my dreams
Me and you, you and me
But what we have ain't just real
We won't throw it away
Now I'm missing your lips
So don't try to say goodbye
So kiss me now
kiss me now again
I got you in my mind
and I need you right here
So get here now
get here if you can
I got you in my life
and i need you right here
I, I, I, I, I, I, I, I, I, ah ah
I, I, I, I, got you in my mind
that's right.....(x2)
Tu tu tu tu tu tu tu,
Tu tu tu tu tu tu tu, ah ah...(x2)
I have tried many ways
but there's nothing I can do now

I saw you one day
and our love was really about to be
What can I say?
It is easy like ever seen
Then when we kiss
everything do seem a dream

I, I, I ,I, I, I, I ,I, I, ah ah
I, I, I ,I, got you in my mind
that's right.....(x2)
