Hello sunshine
Please don't fade away
See our genius
Warp what we created

No, no
No, don't fade away, darling

Stepping over
Shadows from your smile
Losing myself
In these waves of light

No, don't fade away
No, don't fade away

See them washing
Hearts with teardrops
Bless these simple souls

Baby soldiers
Marching onward
Watch their hopeless eyes

No, don't fade away
No, don't fade away

Oh my, am I high is that a glow up in the sky
Oh my, am I high is that a glow up in the sky
Oh my, am I high is that a glow up in the sky
Oh my, am I high is that a glow

Whitewashed liars, stupid teachers
Blinded are these broken dreamers
Little rulers, who will teach them time
Time

No, don't fade away, no, no
No, don't fade away, darling

No, no, no, no
No, don't fade away

No, don't fade away, darling

Oh my, am I high is that a glow up in the sky

Oh my, am I high is that a glow up in the sky

Oh my, am I high is that a glow up in the sky
