Throw me up against the wall  
Shut me up when I start talking  
Paint it into your brick walls  
Rub it on you with ???

Hang me up out here to dry  
Suing me for truly listening  
Make me feel unrecognizable  
With me when I feel all mine again

You always make me shake  
Make me break  
Why do you always question what is mine?  
You can't have it, if this would happen  
You already stolen all my time

There's nothing sweeter than this madness  
People have ??? strings, I saw through hoops ???  
through  
Go ahead and start ???  
I just need to count to ten ???

You always make me shake  
Make me break  
Why do you always question what is mine?  
You can't have it, if this would happen  
You already stolen all my time

In my dreams, I will be fine again  
In my dreams, you always shine  
In my dreams, I will be fine again  
In my dreams, you always shine

You always make me shake  
Make me break  
Why do you always question what is mine?  
You can't have it, if this would happen  
You already stolen all my time

Always shine  
Always shine

Shine  
Shine

Always shine...
