I gotta learn how to lose and to choose my own wars
I gotta understand it's not me against the world no
more

When you are sure as hell then i don't know
You are so pure and well when i am low
When you say "Sure as hell!" then i say no

A spoke in your wheel, yeah like a bugging fly
A thorn in your side just like a constant red eye
On being an ass I've really been a pro
So can I say no?!

I know I've tread on your toes and it shows who I am
And all these situations and relations from the start
they were damned
I feel a need to stop when you say go
I am indeed a flop if you say so
I feel a need to stop so I say no

A spoke in your wheel, yeah like a bugging fly
A thorn in your side just like a constant red eye
On being an ass I've really been a pro
So can I say no?!
