Last selection of the ballgame  
Does never get a pass  
Not appreciated's just his first name  
He's the scapegoat off the class  
There are no friends to cheer him up and  
No girls, no sweet romance  
And it's impossible to expand  
when you never got a second chance

Do you know who's that guy  
Who's all alone  
Do you care enough to see  
He's in pain and misery

He's not going to the school-prom  
He said he had the flu  
Trumped-up excuses as he told mom  
I'm safer here with you  
She told her son  
someday they'll all be  
Sorry for mistreating you  
Don't be afraid my son and trust me  
You'll be someone they will look up to

Do you know who's that guy  
Who's all alone  
And do you care enough to see  
He's in pain and misery  
Do you care to see?
