"Day After Day"

Visit "[Day After Day](#)" on MotoLyrics.com

I am, the one, who can free myself
Tonight, it's cold, it's raining outside there
I know, the truth, that you can free yourself
Of all the tears and sadness
And turn them into light
Day after day
Love after love
I've been waiting to love again
Day after day
Love after love
Love is waiting inside your heart
[2x]

To you, and me, to face real life
You are, the one, it's all because of you
All the things you feel will, turn into love
Day after day
Love after love
I've been waiting to love again
Day after day
Love after love
Love is waiting inside your heart
[2x]
