Why don't you reincarnate any moment of your past?
Have you ever stopped to consider this could be your
last life?
Hanging from the stony wall
One they called the Know It All
Took away his crystal ball

Mrs. Jones reads the newspaper every single day
They print what they know will make her want to buy
their paper in the worst way
Hanging from the stony wall
One they called the Know It All
Took away his crystal ball
'Cause he said he saw --
I think that this caper that they call life is getting

I think that those who can see should bring about a

And if you tried you would be
Hanging from the stony wall
One they called the Know It All
Took away his crystal ball
'Cause he said he saw --
