"Blueberry Hill"

I found my freedom on Blueberry Hill
On Blueberry Hill where I found you
The moon stood still on Blueberry Hill
It lingered until my dreams came true

The wind in the willow played
Love's sweet melody
But all of those vows you made
Were never to be

Though we're apart you're part of me still
For you were my thrill on Blueberry Hill

The wind in the willow played
Love's sweet melody
But all of those vows you made
Were only to be

Though we're apart you're part of me still
For you were my thrill on Blueberry Hill
