When I hear that Serenade in blue  
I'm somewhere in another world, alone with you  
Sharing all the joys we used to know  
Many moons ago

Once again your face comes back to me  
Just like the theme of some forgotten melody  
In the album of my memory  
Serenade in blue

It seems like only yesterday  
The small cafe, a crowded floor  
And as we danced the night away  
I hear you say forever more  
And then the song became a sigh  
Forever more became the cry  
Cause you remained in my heart, so

Tell me darling in there still a spark?  
Or lonely, lonely ashes of the flame, with you  
Should I go on whistling in the dark,  
Serenade in blue
