I've lived the life  
Of a many things  
Drink wine with tramps  
And I dine with thieves

I've done most anything  
A woman could do and exist  
But til I met you, baby  
There was something I had missed

Yes, there was  
I missed the two of us  
Sharing each other's heart  
I missed the joy of love  
Right from the very start

I missed your tenderness  
The way you hold my hand  
But most of all, I missed  
The love of my man

Many a girl have gone my way  
Got lost in the race  
They went another way  
Ashamed to show their face

That's why I'm gonna love you  
In the darkness of the night  
Run my hand across your chest  
Let you know everything's alright

Squeeze you gently  
With a tender touch  
Say, aw, baby, when  
You had a little too much

Treat you like a woman should  
Each and every way  
And when you're gone from home  
You'll always hear me say

I missed the two of us

Sharing each other's heart  
I missed the joy of love  
Right from the very start

I missed your tenderness  
The way you hold my hand  
But most of all, I missed  
The love of my man  
Ooh, baby

I miss you, baby  
(I missed the two of us  
Sharing each other's heart)  
Don't you know I miss you, baby  
(I missed the joy of love  
Right from the very start)

I waited too long for you, baby  
(I missed your tenderness  
The way you hold my hand)  
Cause most of all, I missed  
The love of my man, yeah

I miss you, baby  
(I missed the two of us  
Sharing each other's heart)  
Can't you see I'm back here  
Missing you, baby, yeah, yeah  
(I missed the joy of love  
Right from the very start)

I can't do without you, daddy  
(I missed your tenderness  
The way you hold my hand)  
Cause all this time  
I missed the love of my man...
