Oh girl, oh girl
I believed one day
Someone would call my name
I was certain
Somehow someone would feel the same
I lived a lifetime
Laughin' to hide my feelings
But I knew sometime
You'd rescue me and love would guide us here

It's an old affair
But I don't care come what may
It's an old affair
We let our hearts lead the way

Because it's guaranteed forever
It's guaranteed for life
This love affair should last forever
Because it's guaranteed for ever
It's guaranteed for life

I believe some day I'd reach out and touch your heart
I was sure somehow you'd comfort me and led me
from the dark
It's an old affair
But I'm prepared to believe
It's an old affair
I wear my heart on my sleeve

Because it's guaranteed forever
It's guaranteed for life
This love affair should last forever
Because it's guaranteed for ever
It's guaranteed for life
It's only you and me
Because it's guaranteed forever
It's guaranteed for life
This love affair should last forever
Guaranteed forever
It's guaranteed for life

Because it's guaranteed for ever darling

Guaranteed forever this time
Can't you see forever darling
Can't it be forever this time
Love is all we need

Because it's guaranteed forever
It's guaranteed for life
This love affair should last forever
Because it's guaranteed for ever
It's guaranteed for life
It's only you and me
Because it's guaranteed forever
It's guaranteed for life
This love affair should last forever
Guaranteed forever
It's guaranteed for life
