Sometimes I wonder why I spend  
The lonely nights dreaming of a song  
The melody haunts my reverie  
And I am once again with you

When our love was new  
And each kiss an inspiration  
But that was long ago  
And now my consolation  
Is in the stardust of a song

And beside a garden wall  
When the stars were bright  
You were in my arms  
The nightingale tells it's fairy tale  
A paradise where roses grew

Though I dream in vain  
In my heart it always will remain  
My stardust melody  
The memory of love's refrain

Though I dream in vain  
In my heart it always will remain  
My stardust melody  
The memory of love's refrain

The memory of love's refrain
