She work it girl, she work the pole
She break it down, she take it low
She's fine as hell, she's about the dough
doing her thing right out on the floor
Money money, she's makin'
Look at the way she's shakin'
Make you wanna touch her, wanna taste her
Have you lustin' for her, go crazy, face it
She's so much more than you're used to
She know's just how to move to seduce you
She gone do the right thing and touch the right spot
Dance in your lap till you're ready to pop

She's always ready, when you want it she want it
Like a nympho, the info
show you where to meet her
On the late night, till daylight the club jumpin'
If you want a good time, she's gonna give you what you want

Baby it's a new age,
You like my new craze
Let's get together
Maybe we can start a new phase
The smokes got the club all hazy,
Spotlights don't do you justice baby
Why don't you come over here, you got me saying

Ayo

I'm tired of using technology,
Why don't you sit down on top of me

Ayo

I'm tired of using technology
I need you right in front of me

In her fantasy, it's plain to see

Just how it'd be, on me, backstrokin',
Sweat soaking
All into my set sheets
When she's ready to ride, I'm ready to roll
I'll be in this bitch till the club close
What should I do, on all fours
Now that that shit should be against the law
Different style, different move,
Damn I like the way you move
Girl you got me thinking about,
All the things I'd do to you
Let's get it poppin' shorty
We can switch positions
From the couch to the counters in my kitchen

Baby it's a new age,
You like my new craze
Let's get together
Maybe we can start a new phase
The smokes got the club all hazy,
Spotlights don't do you justice baby
Why don't you come over here, you got me saying

Ayo

I'm tired of using technology,
Why don't you sit down on top of me

Ayo

I'm tired of using technology
I need you right in front of me
She wants it, she wants it
She wants it, I got to give it to her
She wants it, she wants it
She wants it, I got to give it to her

Baby this a new age,
You like my new craze
Let's get together
Maybe we can start a new phase
The smokes got the club all hazy,
Spotlights don't do you justice baby
Why don't you come over here, you got me saying

Ayo

I'm tired of using technology
I need you right in front of me
