you came over  
like a midnight appetite  
nobody believes me now

i ran across and  
saw thousand people on my way,  
on my way, on my way out

one of it, two of it  
one of it, we'll make the most of it  
you'll love it  
one of it, two of it  
one of it, we'll make the most of it  
you'll love it

My baby clown is  
dancing on a broking roof  
I'm worrying she's tired now  
I'm only trying  
to protect my point of view  
I want you to let me in

one of it, two of it  
one of it, we'll make the most of it

you'll love it  
one of it, two of it  
one of it, we'll make the most of it  
you'll love it  
and you try

to give me something  
to give me something  
you give me something  
you give me something  
don't try

one of it, two of it  
one of it, we'll make the most of it  
you'll love it  
one of it, two of it  
one of it, we'll make the most of it

you'll love it

can you cow me in  
can you cow me in
