[Verse 1]

Yo Flo,

Wanna introduce to this dude

Think I really love this dude

Straight up dog

Stand about 5'10"

Perfect for a boyfriend

Damn

Drives a BMX

Never brashes me for sex

Ying Yang on his chest

Plus he's making checks

So he's got a loft in Soho

reminds me of Han Solo

Only moves in Slow-mo

Wait a minute

Hold on dog

Do he got a cat?

Yep

Is his cat name Bud?

Yep

Do he got a birth mark on the left side of his--

Girl

Went to UVM

Yep

Work for Meals on Wheels

Yep

Girl I can't believe this shit

Damn

Tell me what's wrong dog

What heck you damning 'bout?

I'm your homegirl so just say what's on your mind

Girl I didn't you were talking 'bout him

So you tellin' me you know him?

Do I know him, like a fat man knows his food

[Chorus]

We're messing with the same dude

The same dude
How could the love of my life and my potential
husband
Be the same dude
The same dude
And I can't believe that we been messing with the
Same dude, Same dude
Thought he was someone I could trust
But he's doubling up with us
Mimi
Flo
Girl we been messing the same dude

See I met him at this party up in Brooklyn (hey, hey)
I met him at this picnic in Wisconsin (woah, woah)
He came right up to me, giving me conversation
I said do you got a girl
Said no with no hesitation
Must be a player thing
Cuz he same to me
Had he's body all in my face
When I'm laughin and gettin' beer
He whispered in my ear
Said can I take you home
Me too
Girl he was on the phone singing the same song
Is that true?
My thought it was true confessions
When he said I love you
I thought his body was calling
When he said I want you
Look I even got some pictures on my phone
Look at there, there he is with some girl shorts on

(Chorus)

We're messing with the
Same dude, same dude
He's the apple of my eye
And my potential husband
Same dude, same dude
Man, I just can't believe that we've been messin' 'round
with the same damn dude
Same dude, Same dude
Thought he was someone i could trust
But he's been doublin' up the both of us
Mimi
hey!
Flo
hey!
We've been messing with the same dude

He said he got on his desktop
Are you talking about the laptop?
Mmm-mmm The one on his desk
He told that was fucked up
It's obvious that he been playing us, playing us
It's constantly he's been lying to us, lying to us
He thinks that he can get away with it, away with it
Let's tell this punk that we won't take this shit, take this
shit
Call him up at his home
He won't know I'm on the phone
I gonna fuckin' kill this man
Damn girl that's the plan
Girl just ask him to meet up with you
And I'm gonna show up too
And he won't know what to do
We'll be beating him saying...

[Chorus]

Same dude(same dude), Same dude
He was the apple of my eye
WHAT
But he's just a total doosh bag
Same dude, same dude
I just still can't believe
HEY
We've been messing with the same dude
Same dude, same dude
He's going to be looking so stupid we he sees us
together
Mimi
Flo
Girl we've been messing with the same dude
See he was taking trains
HEY
Every night and day
HEY
And go meet up
HEY
At the subway
And I can't believe
Hhhhhhhhhhhhhhhhhhhheeeeeeeeeeeeeeeeeeyyyyyyyyyyyyyyy
