Everytime I see you, you get to me
Got to Maintain some kind of dignity
Every time I want just a bite
Tell myself, I'm holdin the line
Take a breath and try not to think of you
Trying so hard not to crave what ya do
I don't know why you won't set me free
All the time I hate what you do to me

when I need pleasin
you're what I'm needin
everything in you
satisfies all of me
i can't believe this
wantin another kiss
breakin every rule I ever made
because of you tempting me
now i'm trying every day to stay away

chorus

this time i mean it
will you stop teasin
everything you are
is really bad for me
please understand now
it's not about you
i got no will power
what to do
i'll be fine
i am through
maybe i'll have one last piece of you or two

chorus

chocolate's pure delight, want some every night
sayin to myself i'll only have one little piece
torments me to see how many are gone
so i'll have one more then i'll be done

chorus
