Another great night
i'm feelin so right
when I see you in my doorway
we want bright lights
we got the whole night
we're gettin ready for the spotlight
let's go now
lets party
it's time to make some noise
i feel it
i hear it
i know the party's startin right now baby

Tick tock
I wanna go rock
I don't wanna stop what I got
Tick tock
I wanna feel rock
I just wanna move
Tick tock
I wanna feel hot
Yea I wanna put ya in shock
Tick tock
I wanna go rock
I don't wanna go home

another late night
i'm feelin so right
yea it's two o'clock
and the doors are closin
but we're movin
yea we're flyin
we're not ready for the night to be done
let's go now
lets party
yea I know the night is celebratin
I feel it
I hear it
take it somewhere where the streets are poppin

chorus
