"Heal Me (Outro)"

[Chorus:]

Ohhh, Can anybody hear me, Cause I've been
doooooown, that road, so long. [x3]

[Mims:]

I'm trying to clean up my ways
Some times I feel like I can't
When I repent all my sins
Then I just do it again
I never wanted to be a regular nigga
No funds, chased by crack hittas
So I poured my soul out, like liquor
But I guess ya'll niggas didn't get the point, like
scissors
I told cats I went 2 church and got saved
Old heads looking, like "NO", do not say
Called my old hoes, told them I'm gone stop pimping
They looking at me like, u mine as well stop living
Trying to rid the demons from my system
But da game won't let me, it's steady pulling me in
But I thank u, since u kept a nigga breathing, eating,
sleeping
Been up another week, another weekend
Days, hours, minutes, seconds
Feeling like I could, never pay u back 4 this blessing
So when a nigga pray, I don't pray for wealth
I pray for my family, I pray for health
If anything, I just pray we get closer
To the point, you become my main focus
Focus on, every word I say, I hope you soak this
The realist rhyme a nigga ever wrote is, this

[Chorus:]

Ohhhh, Can anybody hear me, Cause I've been
doooooooooown, that road, so long. [x3]

[Mims:]

I'm trying to clean up my ways
Some times I feel like I can't
When I repent all my sins

Then I just do it again

[Chorus:]

Ohhhh, Can anybody hear me, Cause I've been
dooooooooown, that road, so long. *[x3]*
