[Intro]

Let's get it! ha ha! I know you like  
Wonderin right now like, what the hell is this right?  
Heh heh heh heh! I guess you bout to see right now

{\*bell rings\*}

[Chorus]

Move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna move-move if you wanna  
move

Move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
move

[Verse 1]

I don't undrestand how can I have so many ha-ters  
Knowin I'm there father like my name is darth va-der  
I can get you hemmed up while I'm bein tay-lored  
Then I slide off to the side like a fa-der  
Homey I'm the president, governor and ma-yor!  
I control everything, like a dic-tator!  
Get you biz marked up, turn you into va-pors!  
If you got a problem get you swallowed like a cha-ser!  
Model on my arm no homey I don't have to pay-her  
All I have to do is tell her where I wanna take-her  
Catch us out in italy, then we in jamai-ca  
Caught up in the rapture, like anita ba-ker  
When I roll up to you niggas like a ska-ter!  
Move if you wanna when you see that red la-ser!  
No matter how you move and that infrared will chase  
ya!  
Then I keep it movin, homey see you la-ter! mims!

[Chorus]:

Move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna

Move-move if you wanna move-move if you wanna  
move  
Move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
move

[Verse 2]

I'm tryin to keep it cool, if you wanna, you can move, if  
you wanna  
Tryin to have a little fun, maybe move a couple  
numbers but  
When you movin numbers, all the haters start to  
wonder  
Then they talk behind your back, in the breath they  
speakin under  
Man I'm hot, like the sun, like the middle of the  
summer!  
Strike down in a flash, nigga you can call me thunder!  
Chicks call me phil drummond 'cause I give 'em  
diff'rent strokes!  
Bahh, bahh, bahh, bahh, bahh, beat it up, like a  
drummer!  
They can call it one-hit wonder, but I guess that means  
I'm one-up  
Light a match, play with fire, that just means you gon'  
get burned up  
In the river, where you turn up, 'cause thye see I'm on  
the come-up  
But it's our, turn, now, if you want it, take it from us  
I don't need no goons by me, if you want it come and  
try me!  
We can do this broad day, in the middle of the lobby!  
Niggas say that they the shit, when they barely just a  
potty!  
When they problems turn to prol'ly and they prol'ly  
turns to sorry!  
Tell 'em!

[Chorus]

Move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna move-move if you wanna  
move  
Move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
Move-move if you wanna if you wanna if you wanna  
move
