Let's get it! Ha ha  
I know you like, wonderin right now like, "What the hell  
is this?", right?  
Ha ha ha ha  
I guess you 'bout to see right now

Move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, move, move if you wanna  
move

Move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
move

I don't understand how I can have so many haters  
Knowing I'm their father like my name is Darth Vader  
I can get you hemmed up while I'm being tailored  
Then I slide off to the side like a fader

Homey I'm the president, governor and mayor  
I control everything like a dictator  
Get you biz-marked up, turn you into vapors  
If you got a problem get you swallowed like a chaser

Model on my arm, no homey I don't have to pay her  
All I have to do is tell her where I want to take her  
Catch us out in Italy, then we in Jamaica  
Caught up in the rapture like Anita Baker

When I roll up to you niggas like a skater  
Move if you wanna when you see that red laser  
No matter how you move bet that infrared'll chase ya  
Then I keep it movin', homey see you later, Mims!

Move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, move, move if you wanna

move

Move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
move

I'm tryin' to keep it cool, if you wanna, you can move, if  
you wanna  
Tryin' to have a little fun, maybe move a couple  
numbers  
But when you movin' numbers, all the haters start to  
wonder  
Then they talk behind your back and they breath they  
speakin' under

Man I'm hot like the sun, like the middle of the summer  
Strike down in a flash, nigga you can call me thunder  
Chicks call me Phil Drummond 'cause I give 'em  
different strokes  
Bah, bah, bah, bah! Beat it up like a drummer

They can call it one-hit wonder, but I guess that means  
I'm one up  
Light a match, play with fire, that just means you gon'  
get burned up  
In the river where you turn up, 'cause they see I'm on  
the come-up  
But it's our turn now, if you want it, take it from us

I don't need no goons by me, if you want it come and  
try me  
We can do this broad day in the middle of the lobby  
Niggas say that they the shit when they barely just a  
potty  
When they problems turn to prol'ly and they prol'ly  
turns to sorry  
Tell 'em!

Move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, move, move if you wanna  
move

Move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
Move, move if you wanna, if you wanna, if you wanna  
move
