Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses

Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses

I am like the Eagles, I am like the Beatles
If music is the heroin then I am like the needle
And you a Black Sabbath, too paranoid
On the dark side of the moon like Pink Floyd

If writing is a weapon, all my gun shoots is Led
Zeppelin
Sex Pistols whip you, show respect like Otis Redding
Bring me back to life like Evanescence you braggin'
Me, I cause hysteria I am Def Leopard

My mind is Disturbed, you cannot dissect it
I deliver mayhem but music is my method
I am Van Halen eruption
Plus I got a healthy appetite for destruction, let's go

Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses

Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses

Find me at Linking Park with my deep crew
You say you know the what but you do not know the who
Pay attention you could miss it if you Blink 182
And me I'm the one just like I'm U2

Unforgettable fire, burnin' like the Wailers

My life's a motion picture and this is just a trailer
My suits a perfect fit like it's tailored
Fuck her like an animal, I Nine Inch Nail her

That's how I came into that game and now she's
pregnant
So this is why I'm red hot like the Chilli Peppers
And this is why I rock and this is why I'm rollin'
Like a Rollin Stone with my Guns'N'Roses, yeah

Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses

Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses

Some say I have bad brains that I'm out of my mind
now
So when I open the doors and my head royalty shines
down
I motor head it I spit it in a mean way
Mama, I kill it like Queen say

Rush to the back, it was a journey
That was never concerning me
'Cause money make it the Green Day
Tecca Nina made it to the grip spot

They lookin' at me with a Slipknot
I get to trippin' they go and call the Police
For my warrant, for my arrest 'cause I flipped out
When they show they wanna hate me, beat me

So I said, Kiss my AC/DC
That's anus colon Dukie Chamber so they tease me
Now I'm a Quiet Riot in the pin heaven knows
When I get out there's gonna be a hit out

Watch me Avenged Sevenfold
It was all dream when I woke up
I was torn, I dreamed sickness
No Stone Temple Pilot givin me Korn or a Limp Bizkit

Rock 'n' rollin', rock 'n' rollin'
Floor so cold that's why I'm so frozen
Rock 'n' rollin', rock 'n' rollin'
I'm a Rolling Stone with my Guns'N'Roses
