With her intentions clear she appears
What she has to say the guys are all ears
She's getting annoyed because I'm a good boy but my
momma always taught me to stay clear of girls like her

Holding on as tight as I can
Trying to deny you're tempting demands
But my will is strong girl you wont get it on with me

(Woah) Not tonight girl
(Woah uh oh oh) Keep it short
(Woah) You're never gonna make it like that
Now her dreams are ending

My name is on her list, she wants to tick it off
But rest assured I'm pretty sure these things aint
coming off
The other boys give in but girl you'll never win
I've heard about you're rep and god knows where
you've been

Holding on as tight as I can
Trying to deny you're tempting demands
But my will is strong girl you wont get it on with me

(Woah) Not tonight girl
(Woah uh oh oh) Keep it short
(Woah) You're never gonna make it like that
Now her dreams are ending
(Woah) Not tonight girl
(Woah uh oh oh) Keep it short
(Woah) You're never gonna make it like that
Now her dreams are ending

Whoah, woah uh oh ohhh X2

(Woah) Not tonight girl
(Woah uh oh oh) Keep it short
(Woah) You're never gonna make it like that
Now her dreams are ending
(Woah) Not tonight girl
(Woah uh oh oh) Keep it short

(Woah) You're never gonna make it like that

Now her dreams are ending x2

Now her dreams are ending everything
