Do you lose control when you hold too tight  
but turn your head long enough to let it bite?  
Cause faith let me staring at the ceiling through the  
night  
it's freaking me out

And when I fell asleep it plagued my dreams,  
and 30 bits of glass that become my teeth  
They will break and each and everytime I tried to speak  
it's freaking me out...

[Chorus:]

You're freaking me out...you're freaking me out  
and I can run like a coward for the door  
But I'll never get out...you're freaking me out

Do you love your mind if you lose control?  
it makes you feel ashamed for the hearts you've stole  
And now your own hearts scared of an attack cause  
you can't give them back  
You're stressing me out when you prove me wrong  
you're wearing me out cause I've slept so long

[Chorus]

Throw it all away, I threw it all away, and the best part is  
not knowing what i threw away, i threw it all away

[chorus]

ooooh ooooh

You're freaking me out...you're freaking me out  
but I keep running right back around for more  
cause I'm in love with my doubt...it's freaking me out
