Hey Amanda
Where'd you find these crazy boys this time?
They say you're pretty but you don't think they're right.

Hey Amanda
While you're staring at your telephone tonight
do you feel like turning it off, turning off all of the
lights?

Pin your wings down
if it's over now
Pin your wings down
just take a chance somehow

Hey Amanda
who just stole your heart away this time?
And when you're crying on your bed does he help keep
you alive?

Pin your wings down
if it's all over now
Pin your wings down
just take a chance somehow

I'll take the blame if you take me home now
Cause' there's no place left for trust in all this pain
And you know when it rains in this town I get washed
away
Without a sound
So pin my wings down

If it's over
If it's over now
If it's over
If it's over now

You pin your wings down
if it's over now
Pin your wings down
just take a chance somehow
Pin your wings down
if it's over now

Pin your wings down
just take a chance somehow
