goodmorning sun  
i am a bird  
wearin a brown polyester shirt

do you want a coke  
maybe some fries  
the roast beef combo's only nine ninety-five  
it's okay  
you don't have to pay  
i've got all the change

everybody knows  
it hurts to grow up  
and everybody does  
so weird to be back here  
let me tell you one  
the years go on  
and we're still fighting  
and we're still fighting it

and your  
so much  
like me  
i'm sorry

goodmorning sun  
twenty years from now  
maybe we'll both sit down  
and have a few beers  
then i can tell  
you bout today  
and how i picked you up and everything changed

it was pain, sunny days, and rain  
and did you feel the same thing

everybody knows  
it sucks to grow up  
and everybody does  
so wierd to be back here  
let me tell you one  
the years go on

and we're still fighting  
and we're still fighting it  
and you tried and tried  
and one day  
you'll fly  
away from here

(goodmorning sun)  
(goodmorning sun)  
(goodmorning sun)  
(goodmorning sun)

goodmorning sun  
(goodmorning sun)

i am a bird  
(goodmorning sun)  
(goodmorning sun)

it was pain, sunny days, and rain  
and did you feel the same things

everybody knows  
it hurts to grow up  
and everybody does  
so weird to be back here  
let me tell you one  
the years go on  
and we're still fighting  
and we're still fighting it (oh)  
we're still fighting  
and we're still fighting it

and your  
so much like me  
i'm sorry
