I don't know what happened that evening  
Ever since I've been alive  
Convictions beyond understanding  
Understanding of who's I am  
So God don't give me vision  
My faith will be my relief  
God don't give me a vision  
Cause I already believe  
Cause I already believe

Father strengthen me now  
Till my only weakness is you  
Father comfort me now  
I won't rest till I'm walking with you  
And forgive my lack of perfection  
Let me know for sure  
How tainted appears my reflection  
Cause perfection is anything you  
Cause perfection is anything you

Father strengthen me now  
Till my only weakness is you  
How tainted appears my reflection  
Cause perfection is anything you  
Cause perfection is anything you

Oh Father strengthen me now  
Till my only weakness is you  
Father comfort me now  
I won't rest till I'm walking with you  
And forgive my lack of perfection  
Let me know for sure  
How tainted appears my reflection  
Cause perfection is anything you  
Cause perfection is anything you  
Cause perfection is anything you
