Feel the pain teaching us
How much more we can take
Reminding us
How far we've come

Let the pain burn away
From our hearts
We have time to start
All over again

Feel the pain teaching us
How much more we can take
Reminding us
How far we've come

Let the pain burn away
From our hearts
We have time to start
All over again

Feel the pain teaching us
How much more we can take
Reminding us
How far we've come

Let the pain burn away
From our heart
We have time to start
All over again

Well, if you would shine
Your love down here, oh
Make our hearts
As perfect as new

Oh, if you would shine
Your love down here, oh
I promise I'll reflect it
Right back at you

Oh, I promise I'll reflect it
Right back at you

Oh, I promise we'll reflect it
Right back at you
