[Young Jeezy]  
My nephew gettin' old and he starting to talk  
Now my mom's got sick and she can't walk  
No high school diploma but I know math  
Ain't write one song and she still want half  
Dead beat dad is what the media say  
Best father in the world is what my son al say  
Won't stop til you broke, that's what his mom's al say  
But 'ey  
dem the type of games you play  
The media talk so bad about me  
but the streets they'll so bad without me  
Can't band the snowman  
This is thug motivation just part of the  
program(yeeeeeah)  
The first day of class and all you gotta do is stack cash  
to pass  
Don't mind me I'm just thinking out loud('ey)  
Purple haze got my head in the clouds

[Bridge]  
Get into it, let's just face it  
We can do it if we try  
We can make it if we try, make it if we try  
Ain't nothin' to it  
Let's just take it  
We can make it if we try  
ohhh.....

Let's just do it  
We can make it  
I know we'll make it if we try

Say ohh...

Whoaaa...ohh..

[Chorus]

I'mma make it happen  
I'mma make a way  
if you got somethin to prove  
and feel the same way  
Say I,I,I,I,I

I'mma keep it gangster  
I'mma make it hot  
If you feeling like I do, then people throw your hands up  
and  
Say I,I,I,I,I

[Bridge]

Get into it, let's just face it  
We can do it if we try.....  
Ain't nothing to it  
Let's just take it  
We can make it if we try

[Chorus]

I'mma make it happen  
I'mma make a way  
If you got somethin' to prove  
If you feel the same way  
Say I,I,I,I,I(follow out)
