[Music: Saikkonen Words: Saikkonen]

I remember when I first fell down  
All the way, all the way down  
Nothing ever could have changed my mind  
Make me think all those nice thoughts

What did you think when you first saw me  
Drown in the greatest self-pity  
What a depression without a slightest reason  
Would I bow to you again

Look at me, don't you dare to look at me  
Why don't you leave me alone  
Please ask what's wrong with me

No responsibility of anything around  
No idea, not a cause to search for better
