Won't you leave  
Won't you gather your things  
Fears with greed  
Magnetic dreams

I'll ask it to be low low low  
You don't see what I see, what I see  
She listen to my echo (echo)  
And turn around for me for me

And I know it's ok  
I'm standing right where you are  
You are my crying shoulder  
I'm not going far  
And I know it's ok  
I'm standing right where you are  
You are my crying shoulder  
I'll send you peices of my heart

It's a quiet world out there  
Dont be too now and dont be spared  
Show me how you do it  
like you do it all around here

I'll ask it to be low low low  
You don't see what I see, what I see  
She listen to my echo (echo)  
And turn around for me for me

And I know it's ok  
I'm standing right where you are  
You are my crying shoulder  
I'm not going far  
And I know it's ok  
I'm standing right where you are  
You are my crying shoulder  
I'll send you peices of my heart  
Woah

Slide down your future stair case  
Keep all your memories inside them  
Upper lace

I'll ask it to be low low low  
You don't see what I see, what I see  
She listen to my echo (echo)  
And turn around for me

And I know it's ok  
I'm standing right where you are  
You are my crying shoulder  
I'm not going far  
And I know it's ok  
I'm standing right where you are  
You are my crying shoulder  
I'll send you peices of my heart  
Oh my heart
