Scenery was drawn  
Easy to obtain  
Help from media  
Camera everywhere

Time to make my move  
Safe behind my lens  
Fast decisions  
Breathing down my neck  
I'll be...

Like a shadow on your back  
Like the beggar flips a coin  
Like clockwork I will hit

How can you sit there?  
While there's so much chaos, been unleashed  
A penny for your thoughts  
The TV is rather calm  
Watching all this chaos caving in  
It's all caving in...

Lights are blinding me  
Sun is burning me  
In broad daylight  
Suspensions killing me  
Then I get a go  
The bullet leaves my gun  
Rest in peace now  
A martyr you shall be  
I'll be...

Like a monkey on your back  
Like the beggar flips a coin  
For like clockwork I will hit

How can you sit there?  
While there's so much chaos, been unleashed  
A penny for your thoughts  
The TV is rather calm  
Watching all this chaos caving in  
It's all caving in...

Right on your face  
Like a fly landing on the tip of your nose  
Your TV dinner tastes  
Like the blood on my hands  
Crime on prime time is on today's menu

How can you sit there?  
While there's so much chaos, been unleashed  
A penny for your thoughts  
The TV is rather calm  
Watching all this chaos caving in  
It's all caving in...

So how can they sit there?
