### "Inapt World"

Visit "[Inapt World](#)" on [MotoLyrics.com](http://MotoLyrics.com)

To live in this inapt world,  
Isolated  
To meet this, inapt world  
Isolate it

You can't tell me how I feel  
Can't tell me  
You don't know

Don't be the bad thing in my soul

To live in this inapt world,  
Isolated  
To meet this, inapt world  
Isolate it

[Chorus]  
Time to live  
Regain my belief  
On the mankind  
Trouble-filled  
Now that I'm free  
I'm alive

Now I live  
What I believe is real  
The pain I don't feel  
Now that I'm free  
I'm alive

To breathe in this dead world,  
Slowly fading  
Forbidden, spoken  
New sensation

You can't tell me how I feel  
You can't tell me  
You don't know

Don't be a bad seed in my soul

Could I dream above all the mere?  
(Did I undergo this)  
Run away, another day  
Ready to go away

[Chorus]  
Time to live  
Regain my belief  
On the mankind  
Trouble-filled  
Now that I'm free  
I'm alive

Now I live  
What I believe is real  
The pain I don't feel  
Now that I'm free  
I'm alive

Not so free  
I've been domineered like you  
No free-will but a ruling judgment

Submit to the law, the state, your god,  
Your chief, and your bankroll

I have no reason, why would I?  
I'm no longer independent  
Why am I run by anyone?

No more!  
Get rid of all remorse  
No more!  
Get rid of all remorse

Could I dream above all the mere?  
(Did I undergo this)  
Run away, another day  
Ready to go away

[Chorus]  
Time to live  
Regain my belief  
On the mankind  
Trouble-filled  
Now that I'm free  
I'm alive

Now I live  
What I believe is real  
The pain I don't feel

Now that I'm free  
I'm alive

All this weight  
Freedom so long I've waited  
Showed that's not delight  
Showed there's command  
Time to live...
