The demon has watched me with one eye  
What's hiding behind the other?  
Another betrayal, another pain?

The ones that you trust will watch your back  
Are often the greatest stabbers  
Possession of anger makes them bleed for more  
jealousy

All ethics and morals we were taught  
Differ far from those today.  
The devil is rubbing both his hands,  
Proud of what he's accomplished.

All rotten,  
Forgotten...  
Those sacred rules.

Forsaken,  
Mistaken  
In a world of fools.

A goblet of fire has been thrown  
The dragon is sighing sadly  
No one is reacting anymore...

The knights are returning all their swords  
No reason to keep on fighting  
The order that rules the world is evil and meaningless

All ethics and morals we were taught...

All rotten...

Where can I search to find  
All the good left behind  
When there's no truth in anyone?

Children living today,  
Which rules will they obey when all the teachers start to  
fail?

All rotten...

Where have they gone... those rules?
