Higher  
Embrace the filthy sky  
The point of no return  
Is here upon us  
Dust to dust  
The fear taught you to fly  
Gravity is for them  
Those non believers

So the thread that you proudly hang on  
Eventually it will snap  
The perfection is ruining your temple  
Tickles a smile on my lips

For when I say goodnight it always means forever  
You'll see your life flash by for a second  
And when your eyes roll back  
I'll cry the tears of joy  
Count your blessings now, it's better  
Time to say  
Goodnight

Rest assure  
Your legacy will die  
The serpent is the fool  
He's out of venom  
Feed the crows  
Their feathers are like mine  
Waiting for a dove  
We long for supper

So the thread that you proudly hang on  
Eventually it will snap  
The perfection is ruining your temple  
Tickles a smile on my lips

For when I say goodnight it always means forever  
You'll see your life flash by for a second  
And when your eyes roll back  
I'll cry the tears of joy  
Count your blessings now, it's better  
Time to say

Goodnight

Here's a chair  
Here's a rope  
You know what to do  
Make sure the knot is tight enough for me, for you

If you find heaven  
You got nothing to fear  
Not at all

[Spoken:]  
Garden of Eden  
Is a cemetery  
Not far from hell

For when I say goodnight it always means forever  
You'll see your life flash by for a second  
And when your eyes roll back  
I'll cry the tears of joy  
Count your blessings now, it's better  
Time to say  
Goodnight
