You came close this time  
Close to findin' a way  
A way to change my mind

But I feel sure  
I've heard it before

So you push yourself  
Always in my face  
Chance to realise  
That I've made mistakes  
But I've made my break  
Won't get left behind

I'm not afraid  
Listen my friend

You'll be fine, if you don't  
Waste my time, don't you know  
You could share  
All the visions that I have  
And you know, I could change  
But I won't, anyway  
That is why, you should find  
Someone else and waste their time

You'll be fine, if you don't  
Waste my time, don't you know  
You could share  
All the visions that I have  
And you know, I could change  
But I won't, anyway  
That is why, you should find  
Someone else and waste their time

You could change don't you know  
You could change don't you know  
You could change  
But I don't like you anyway!
