Should I leave  
Just let go of  
Everythin', anythin'  
Should I stay, try to hold on to  
What might have been  
But I feel I'm  
Wasting my time again  
Feel like I have  
Nothing left to win  
Where were you  
When I needed a friend?  
There's just nothing, nothing left

As I bleed  
Though this wounds aren't  
Hurting you they're killing me  
And I feel this life ain't  
Worth hanging on to tonight

So it's real  
Say goodbye, no more you and me  
No more fights  
Only mine, mine and misery  
But I feel I'm  
Wasting my time again  
Feel like I have  
Nothing left to win  
Where were you  
When I needed a friend?  
Is there nothing, nothing, nothing left?

As I bleed  
Though this wounds aren't  
Hurting you they're killing me  
And I feel this life ain't  
Worth hanging on to tonight  
Ain't worth hanging on to tonight

As I bleed  
Though this wounds aren't  
Hurting you they're killing me  
And I feel this life ain't

Worth hanging on tonight

But I feel I'm  
Wasting my time again  
Feel like I have  
Nothing left to win  
Where were you  
When I needed a friend?
