Verse

Like a thief in the night
It will consume you
By stealing your soul
Leaves you with nothing
But sweaty palms

Pre-Chorus

Your heart accelerate
It's 0 to 80 in to 2.9
The place is packed
But you feel like in a tide

Chorus

Fast moves and slow reactions
Now you no longer master
The course of your actions
Human size puppet

Verse

Tyranny of addictions:
The only God down here
Playing innocent to the bones
Like a child from the alley back home
You are number one in my unstoppable death roll

Pre-Chorus

This mess escalated
Into a full-scale riot
Face the facts
There is no more place to hide

Chorus

Fast moves and slow reactions
Now you no longer master
The course of your actions
Human size puppet

Last chance for your confession
Or you will no longer master
The course of your own salvation

Criminal

We are dancing on the edge of the law
Our world has been corrupted

Chorus
Fast moves and slow reactions
Now you no longer master
The course of your actions
Human size puppet

Last chance for your confession
Or you will no longer master
The course of your own salvation

Trespassing eyes
Corrupted actions
Human size puppet
