

Mindflow "Inapt World"

Visit "[Inapt World](#)" on MotoLyrics.com

To live in this inapt world,
Isolated
To meet this, inapt world
Isolate it

You can't tell me how I feel
Can't tell me
You don't know

Don't be the bad thing in my soul

To live in this inapt world,
Isolated
To meet this, inapt world
Isolate it

Chorus
Time to live
Regain my belief
on the mankind
Trouble-filled
Now that I'm free
I'm alive

Now I live
What I believe is real
The pain I don't feel
Now that I'm free
I'm alive

To breathe in this dead world,
Slowly fading
Forbidden, spoken
New sensation

You can't tell me how I feel
You can't tell me
You don't know

Don't be a bad seed in my soul

Could I dream above all the mere?

(Did I undergo this)
Run away, another day
Ready to go away

Chorus
Time to live
Regain my belief
on the mankind
Trouble-filled
Now that I'm free

I'm alive

Now I live
What I believe is real
The pain I don't feel
Now that I'm free
I'm alive

Not so free
I've been domineered like you
No free-will but a ruling judgment

Submit to the law, the state, your god,
your chief, and your bankroll

I have no reason, why would I?
I'm no longer independent
Why am I run by anyone?

No more!
Get rid of all remorse
No more!
Get rid of all remorse

Could I dream above all the mere?
(Did I undergo this)
Run away, another day
Ready to go away

Chorus
Time to live
Regain my belief
on the mankind
Trouble-filled
Now that I'm free
I'm alive

Now I live
What I believe is real
The pain I don't feel

Now that I'm free
I'm alive

All this weight
Freedom so long I've waited
Showed that's not delight
Showed there's command
Time to live...
