Intro

I don't need no dialogue
I already have you
If I have to lie, steal, cheat or kill
My God as a witness

Verse

Mad as hell
I'm not gonna take this anymore
Go ahead
Make my day
It's time for me to restore

Pre-Chorus

And when it's all over
I'll be hungry again
And when it's all over
I'll be hungry again and again and again

Chorus

We own the rights
We're just thrust into this game
Thrust into this game
The most dangerous plot
We've ever had to face
Thrust into this game

Verse

Made our past
from a big and empty jaw of lies

Broken bones

Scattered face
It's time for me to be reborn

Pre-Chorus

And when it's all over
I'll be hungry again
And when all hope is over
I'll be hungry again and again and again

Chorus
We own the rights
We're just thrust into this game
Thrust into this game
The most dangerous plot
We've ever had to face
Thrust into this game

Thrust into this game
The heat is off

Chorus
We own the rights
We're just thrust into this game
Thrust into this game
The most dangerous plot
We've ever had to face
Thrust into this game
