Oh sweet emptiness fill my cup
Watch it overflow
And flood my soul
The silence that I know so well
My only friend
My bitterest opponent
The loneliest isle

But I came here so
I could let you go
And I could cut you out
So I can live
(A life worth living
A life worth living
A life worth living
A life worth...) x2

Oh sweet emptiness fill my cup
Watch it overflow
And flood my soul
And this silence that I know so well
My only friend
My bitterest opponent
The loneliest isle
But I came here so
I could let you go
And I could cut you out
So I can live
(A life worth living
A life worth living
A life worth living
A life worth...) x2

(instrumental)

(A life worth living
A life worth living
A life worth living
A life worth...) x2

This can't be found in all of me
This can't be found in all of me

This can't be found in all of me

A mortal cage

A mortal cage

A mortal cage

A mortal cage
