"Hatred"

Visit "[Hatred](#)" on MotoLyrics.com

And how can I explain
My desire to run away
You don't understand
Your creation
You don't understand
Your creation

And the hatred is rising
But I hope that I'm stronger than this

You don't know
You don't know this
You don't know

I promise I'll come out

I promise I won't kill
But I'm lost
Very far
Very far away

And the hatred is rising
But I hope that I'm stronger than this
And the hatred is rising
But I hope that I'm stronger than this

A saviour
To save myself
A saviour
To save myself
