(Wait) wait
(Wait) wait
(Wait) Wait
I feel it unravelling
It comes with no warning at all
And takes me over
All words fail
I'll fight it another day
I'll fight it another day
Let that day come

And ot cripples all thought
It will hit you in waves
It freezes all life
And swallows the day
I'll look for love
Look for reason
I'll look for anything
I can believe in

Wait
Wait
I can hear thunder
Wait
Wait
It's all around
Wait
Wait
I can hear thunder
I'll bring it down
I'll bring it home

I'll suck the life out
I'll break the bones
Blood from the stone
Blood from the stone
Blood from the stone
Blood from the stone
Blood from the stone

Blood from the stone
Blood from the stone
Blood from the stone
I'll take you on

Taken over

Taken over
Taken over
Taken over
Taken over (hope is rising)
Taken over (hope is rising)
Taken over
Taken over (hope is rising) (love my saviour)
Taken over (hope is rising) (love my saviour)
Taken over
