

Copperview "Yesterday"

Visit "[Yesterday](#)" on MotoLyrics.com

You turned away
The feelings gone for oh so long
I held you
My number one
And the price I pay
I see your face in every place I run to
On my own

Your philosophy it seems to me that you
already come and gone
You're leaving me
Only time will tell if the words you sell if they will hold
up on their own
You're leaving me alone
You take my Yesterday
My everything
It's all over now, over now I say
You take my yesterday
My everything
It's all over now, over now I say
You're fucking leaving

Words were thrown
Ring in my head over again
I'm tired
I can't let go

Your philosophy it seems to me that you
already come and gone
You're leaving me alone
Why'd you have to go and take my
Yesterday?
My everything
It's all over now, over now I say
You take my yesterday
My everything
It's all over now, over now I say
You're fucking leaving

Little girl yes you drive me crazy
The way you move, what you do, and what you gave
me

All these feelings drive me straight out of my mind
Tell me now what am I to do lately
Say the words, IÃfÃçâ, ÑÂ™ ll come running say you
need me
Say youÃfÃçâ, ÑÂ™ ll never ever leave my side

Yesterday
My everything
ItÃfÃçâ, ÑÂ™ s all over now, over now I say
Take my yesterday
My everything
ItÃfÃçâ, ÑÂ™ s all over now, over now I say
ItÃfÃçâ, ÑÂ™ s all over
ItÃfÃçâ, ÑÂ™ s all over now
Over now
Over now I say
YouÃfÃçâ, ÑÂ™ re fucking leaving
