By the fire with a glass of wine
The snow is falling and I'm feeling fine
I've got my stocking and the mistletoe
And Santa baby's on the radio

I've got my wreath, I've got my tree
Got Jimmy Stewart smiling at me
I've got my home baked apple pie
Feels good to be in tonight

And I, I can't wait for Christmas
No I, I can't wait for Christmas

The mood is right and the lights are low
I make my angels in the snow
I've got the star at the top of the tree
It's shining brightly down on me

The gifts are wrapped, the bows are tied
The Christmas lights, they shine outside
I know the time is drawing near
It's my favorite time of the year

And I, I can't wait for Christmas
No I, I can't wait for Christmas

And I, I can't wait for Christmas
No I, I can't wait for Christmas

And I, I can't wait, no I, I can't wait
I, I can't wait for Christmas, for Christmas
I can't wait for Christmas, for Christmas
