Futile, you labor in vain
Arrogant philosophies sustaining the name that you
Built on transgression and pain
Tested by the flames all your labor and claims will be
Ashes, Ashes, Ashes, Ashes
Sellout, your fruit is your shame
Self indulgent enigmatic face that is stained on you
Burned by the truth of your way
When all is said and done the only thing be left
Is your name
Pride, greed, self absorbent parasitic catalyst of
secular gain
Truth, wisdom
Futile, you labor in vain
Arrogant philosophies sustaining the name that you
Built on transgression and pain
Tested by the flames all your labor and claims will be
Ashes, Ashes, Ashes
